

# Acquired Brain Injury Support Group Newsletter

## **HIGHLIGHT OF MEETING**

**Despite inclement weather**, we had a small group but wonderful time of sharing for our first support group.

The food was fabulous as usual. Ron even brought some wonderful deviled eggs; which were a big hit.

Joyce shared of her harrowing experiences with Mark through the storm during which he broke his leg.

Terry Kennedy spoke of the reasons LRS on the Canal street location would not reopen, bottom line, money.

Sybil and Robert Cassin were back for the first time in a couple of years. It was so wonderful to see old friends again,

To all who do not know the Secret Gardens tour for 2005 has been canceled.
